YOUR SPIRITUAL BUSINESS DIFFERS FROM OTHERS
BECAUSE ITS NATURE IS PERSONAL GROWTH AND
INTERCONNECTION RATHER CONSUMPTION OR
PROFIT.

ITS ABOUT PEOPLE.

— REV. AHRIANA PLATTEN

We gather people together
in "Sacred Space."

Sacred Space has seven points

Earth

Fire

Self

Your Spiritual Business
is Sacred Space.

The background features a central, glowing sphere with a complex, multi-colored internal structure. The sphere is surrounded by a dense, intricate web of golden, fibrous lines that radiate outwards, creating a sense of energy and complexity. The overall aesthetic is ethereal and scientific, with a focus on light and energy.
